

PRAYER OF CONFESSION

Great and Glorious Creator God, we rejoice at this day that you have made, and the opportunity to come together to worship you once again. We begin each day with a desire to be a mirror that reflects the light of your love into a world lost in the darkness. A world filled with people starving for the good news of your love and forgiveness. Yet some how as we go through the day we become coated with dust and grime from the world's greed, hatred, anger, and indifference; until the faith we show the world is only a dim reflection of what is in our hearts and is much less than what you have called us to be. Lord we pray that you will wipe away all of the grime of this world, making us clean and holy again. We pray that you will polish us through our serve to you, so that any who look at us will clearly see you. In Christ's name. Amen
