

PRAYER OF CONFESSION

Lord, we confess that we have made mistakes and that we have sinned. We have lots of excuses for our failures. When caught we can always find someone else to blame for our sins. We confess that there is not a day that goes by without us breaking every one of the Ten Commandments. We know that we have sinned and we know the penalty for those sins. There is no doubt that we have earned the just punishment that the scriptures tell about. However, the scriptures also remind us that you are a just God. Time and time again you have proven your willingness to forgive those who repentant their sins. Lord, we know that you are a patient and loving God. We pray that you will continue to illuminate our path with the golden rays of your eternal truths. We pray that you would fill our hearts with your love. We pray that you will continue to guide us and instruct us; so that we can become the people you created us to be. In Christ's name. Amen.
